

COVID-19 Vaccine translated resources for multicultural workers

COVID-19 vaccines are free for everyone in Australia, even if you are not an Australian citizen or permanent resident. This includes people without a Medicare card, overseas visitors, international students, migrant workers and asylum seekers

The following resources about the COVID-19 vaccine have been translated by the Australian Government to support culturally and linguistically diverse people.

Website

The [Australian Government COVID-19 vaccine web page](#) is available to view in many translated languages. The page can be printed as a handout, and includes information on eligibility, likely side effects, FAQs and it notes that vaccination is voluntary
